

# Why Mia Piccolo Montessori?

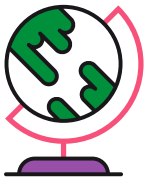

## Educational Approach

Our programs are based on the Montessori philosophy, a child-centered education method that focuses on self-directed activity, hands-on learning and collaborative play.

## Rich Learning Environment

Our classrooms are meant to be the child's home away from home. Each area is carefully prepared in a way that will stimulate and encourage children to explore and use the materials, and at the same time reflects peace and organization.

## Cultural-centric Environment

We've cultivated a culture-centric environment that is accepting and encouraging of families of diverse backgrounds and nationalities. Our school is home to more than 16 nationalities.

## Enrichment

Mia Piccolo Montessori values and provides children with experiences that cultivate a lifelong love of learning. Our daily curriculum is enriched with classes beyond the traditional content areas. Click below for more information about these classes.

## Family Atmosphere

Mia Piccolo Montessori is one big happy family! Our boutique school scenario allows us to offer an intimate, friendly and welcoming learning environment where families and staff work closely together on a daily basis.
